Thanks Valois! This was very helpful.

Also, sometime in the first two weeks of January, would you be able to send me the written and oral comments submitted by any tribal government? I don't need to review the comments from individual tribal members at this point, and understand that there might be a lot of those, but I do need to review the comments from tribal governments. Thanks, and happy holidays!

Hi Paul,

I have attached the Edgemont public hearing transcript. [Ex. 6 Personal Privacy (PP)] testimony begins on p. 32.

I have also attached the exhibit he gave us at the hearing: *Indian Reserved Water Rights Under the Winters Doctrine: An Overview*.

[Ex. 6 Personal Privacy (PP)] followed up his testimony by emailing me the 3<sup>rd</sup> document I have attached, in which he refers to the 11 pages he presented. His personal notes that he spoke from during the hearing may have been 11 pages, but his testimony in the transcript is not that long.

I hope you can piece together what you need from this info.
